

DEDICATION. RELIABILITY. PRODUCTIVITY.

WE HAVE THE STRENGTHS TO
POWER YOUR BUSINESS

EMPLOYMENT SERVICES

Supported Employment enables individuals with significant support needs (disabilities) to be employed in competitive, integrated settings. Supported Employment gives individuals a sense of self-worth, value and purpose. Businesses will gain employees who are hardworking, routine orientated and dedicated employees.

- 86% higher employee attendance
- work 46% harder than average employees
- 97% above average safety rating
- 5 times more likely to strive to meet your needs

What

is Supported Employment

What is Supported Employment?

This service enables individuals with significant support needs to be employed in competitive, integrated settings. Individuals gain a sense of self-worth, value and purpose.

What is job coaching?

A job coach provides a variety of job related supports. A job coach will assist an individual with the onboarding process and on-the-job training. They work with an individual long term to assist them in maintaining their employment.

How

you can benefit

How does Supported Employment benefit your business?

Businesses will gain employees who are hardworking, routine orientated and dedicated employees.

Your business benefits by hiring people with disabilities!

- Taking opportunity of available tax credits
- You get loyal, dependable and competent employees
- Reduced staff turnover
- Increased pool of labor
- Added diversity in the workplace
- Seeing better results and efficiency

People with disabilities benefit from being hired by you!

- Real work for real wages
- Pride in one's work and one's self
- Meeting personal life and financial goals
- Greater community involvement
- Less reliance on public assistance
- Equal opportunities and inclusion

Since 1963, Skyline Center, Inc. has been a not-for-profit organization committed to serving the needs of Americans with disabilities. Skyline's Supported Employment Program is aimed at providing individuals with ongoing support that is necessary for success in a competitive work environment.

Mission

To assist persons with disabilities to live independently, to access community based resources, to break down barriers to independence, and to reach individualized employment goals through the provision of specialized training and support services.
