HALLOWEEN

Manufacturing Month was in October to recognize and promote the success of U.S. manufacturers. Since it's the perfect time to thank all our manufacturing employees for their amazing work over the past year, we made and served lunch for all staff. Recognition and appreciation help build the thriving culture Skyline works hard to create.

Our Safety Walkthrough with Matt O / Assured Partners went great! He noted a few things such as new batteries needed for a few exits, and a review of our plug in cords to assure proper ratings apply. He complemented us for all the things we have in place and the cleanliness of the facility.

Bay Cities: Received notification this month that September's completion went well. Since the audit was outstanding, they will reach out for more projects in the future.

We are gearing up to start assembling portable ice-skating rinks for YardRink.

YardRink has linked up with Wayne Gretzky, "The Great One," as a YardRink Ambassador and Skyline is proud to have Clinton mentioned in the press release.

They are also an "Official licensed product of the NHL".

HUGE THANK YOU to our Mardi Gras Parade Committee for all of your tremendous work on our float entry!

We would also like to recognize Dave and Candy Bowman for pulling the float, as well as Connie Medenblik for driving the Transit Van! Marcia, Kathy, Deana, Kendra, Jada and Brandi, you should all be extremely proud of your hard work and dedication because we certainly are!

Thank you to all of our staff members and board members who helped out with the Hallway Halloween for our Day Hab Individuals!

A great time was had by all!
